PRICE THREE CENTS

Lower Merion High Has Good Gridiron Prospects

Will Be Weaker Than Last Year But Is Shaping Up Well in Practice

BY WILLIAM MARKEE
Member 1923-24 Team.

The Lower Merion High School football team was mobilized last week for the third year under the tutelage of Coach F. M. Forstburg. Judging from past performances and statistics the team this year should render a creditable account of itself.

During the past two seasons the Maroon and White have not lost a game, the season of 1923 being the outstanding year. In addition to being undefeated, which is a record in itself, the team allowed no opponent to trespass over its goal line! Undefeated and unscathed! They are past performances; however, the future concerns the enthusiastic followers of the team more vitally than the past.

The statistics which lend an optimistic hue to the future are the following: From the 18 letter men of the 1923 team only seven were lost through graduation, these being Petersen, Scull, Fleming, Derham, Barr, Markee and Reiss. Unfortunately, two other letter men are lost to this year's team, these being Costello and Hill. The point is that nine letter men will be available for this season. These letter men will be the nucleus of another well-rounded team.

Offensively, this year's team will be inferior to the team of last year, for two of the most dangerous offensive men in last year's school-boy ranks are lost. They are Scull and Petersen, for they were both triple threats. However, Coach Forstburg will most likely find two men in the line that can be used as double

threats. The style of play will be altered a trifle, it would seem, due to the loss of the proficient forward-passer, Derham.

On the offense will be far from weak, for a trio of flashy backs, Captain Peabody, P. Scull and Al Odiorne, will be a powerful and forceful attack. So the chances for the team to score even with stiff defense of opponents are by no means small.

Defensively, the eleven will be very strong, every bit as strong as the invulnerable defense of last year. The main stays of the line will probably be Kuen, Dohan, Dilworth and Lockwood. In the secondary defense, the able and willing bodies of Peabody and Scull will loom in the path of any opponents fortunate enough to pierce the strong line. Hence, the pre-season dope now at hand points to a highly successful season.

Positions on the team are by no means assured to anyone, for due to the wealth of material the competition is keen. It presents a serious problem to the coach to choose a combination from some 60 men, and those who perform best under fire and have the never-say-die spirit will most likely constitute the regulars and second-string men. Each position on the team is coveted and fought for by a number of men.

For ends Swartz, Ryan, Faulk and Lane are candidates. For tackles Dohan and Kuen are likely men. Guards are out in number. Some are Lockwood, Dilworth, Herron, Wilson and Mourey. The center position is sought for by Kurtz, Wilbur and

(Continued on Second Page)

Stite's Salute to the Flag.

HERE'S to the red of it,
Though not a shred of it,
In all the spread of it
From feet to head,
But heroes bled for it,
Faced steel and lead for it,
Precious blood shed for it,
Making it red.

Here's to the white of it,
Thrilled by the sight of it,
Who knows the might of it,
But feels the right of it
Through day and night,
Womanhood's prayer for it,
Made manhood dare for it,
Purity's prayer for it,
Kept its so white.

Here's to the blue of it,
Heavenly view of it,
Star spangled hue of it,
Constant and true.

Here's to the whole of it,
Stars, stripes and pole of it,
Here's to the soul of it—
Red, white and blue.

The foregoing salute to the flag was given by State Senator Fletcher W. Stites, of Narberth, in a Defense Day address in Norristown last Friday. Senator Stites also spoke at the Ardmore Mobilization Day ceremonies.

COMMUNITY CLUB

Activities to Begin Soon.

On Monday, September 15, Mrs. F. A. Jacobs, president of the club, entertained the executive board at her home. After a most enjoyable luncheon a business meeting was held and many important topics of club work were discussed.

The most interesting question of the opening luncheon was decided upon. The date set is Tuesday, October 14. Further information will be given in Our Town of the speakers and entertainment.

The Program Committee, consisting of the president and ex-presidents, has already planned several programs for the season. Among those of special interest are: A joint meeting with the League of Women Voters, two current event talks, by Mrs. Bean, and at least one fashion show by Strawbridge and Clothier.

The fact that all committee chairmen, except the music committee chairman, have been secured, certainly speaks well for the promptness and ability of the president.

Chairmen for the coming year are as follows:

Mrs. Dunn, hospitality; Mrs. Ross, civics; Mrs. Batchelor, legislation; Mrs. Wood, literature; Mrs. Frye, dramatics; Mrs. Dunlop, art; Mrs. Harris, publicity; Mrs. Livingston, welfare.

The last named committee will include the distribution of the comforts for the sick, Christmas baskets, charity work, etc.

The officers of the club are:

President, Mrs. Jacobs; vice president, Mrs. Douglas; second vice president, Mrs. Livingston; treasurer, Mrs. Cockrill; recording secretary, Mrs. Fenno; corresponding secretary, Miss Runyon.

As the club has a membership of 212, the board is looking forward to a year of interest and activity.

New National Bank for Narberth

Five Hundred Shares of Stock to Be Sold

Permission has been granted by the Comptroller of the Currency for the organization of the Narberth National Bank, which is to be located at the corner of Essex and Haverford avenues. Plans are being considered for the building of a bank building on the site selected which will have accommodations for a complete banking organization and offices on the second floor which will be rented.

The capital of the new bank will be \$50,000, with a paid-in surplus of \$25,000, making the stock cost \$150 a share, and it is the desire of the organizers that the stock be held by the people of Narberth and that the new bank will be strictly a Narberth institution, managed and controlled by Narberth people.

It has been decided to close the subscriptions for stock on September 30, and as the amount is limited to 500 shares the organizers believe the capital will be over subscribed and plan to cut down the allotment to each subscriber so that the stock will be divided to the greatest number possible.

Payments on stock are to be made as follows: \$50 per share on October 15, \$50 on November 15, \$50 on December 15.

The preliminary organization work is in the hands of an organization committee, composed of Dr. Faries, Hugh W. Brown and Carl B. Metzger. They will explain anything in connection with the new bank to interested residents and will receive subscriptions for its stock.

TO BUY TRUCK

To Carry Away Ashes and Rubbish.

A truck will be purchased by the borough to carry away ashes and rubbish to the Lower Merion township dump near West Manayunk, used by Narberth, if a recommendation arrived at by the Highway Committee at a meeting in the Borough Hall Thursday night is acted upon favorably by the Council at its next meeting.

During the committee meeting Street Commissioner George Supplee announced that the regular monthly ash collection would take place next week. The winter ash collection schedule will not go into effect until October 13.

Commissioner Supplee was commended by the committee men for the high class job his department did in the resurfacing of Narberth avenue from Haverford avenue up the hill to the railroad bridge. It was praised as one of the finest bits of road work in the borough.

TO BACK BOND ISSUE

A group of citizens representing those sections of the borough in need of permanent street improvement held a meeting last night to discuss the bond issue referendum which will appear on the ballot in the November 4 election and made plans for bringing the necessity of permanent improvement to the attention of the voters. Newspapers and other legitimate publicity will be used by the citizens to convince Narberth voters that they should vote for the \$75,000 bond issue approved by the Borough Council at its September meeting.

ALL SET FOR FAIR

Lane Winner in Singles Finals.

Everything for the Country Fair of the Tennis Club is progressing in fine shape and Narberth is promised the surprise of the year next Friday and Saturday. What has been considered great stuff in the past is due to fade into insignificance when the remarkable products gathered from all parts of the globe are displayed for the benefit of the public. John Wine and his tireless staff have been busy getting all these attractions together and in describing the Country Fair as bigger and better the slogan is more appropriate than ever.

Due, the Dancing Duke, is all ready and the girls are in for an exhibition of new steps they never thought possible, and as for music the club is going to keep up its reputation for getting the best available and has engaged a real Italian orchestra direct from the sunny shores of Italy. The committee were very fortunate in securing this attraction as they only have these two days open before beginning a long engagement for which they are under contract.

Shu-Shu, the beautiful and talented lady, who will tell you all about the future, will be on hand and astound those fortunate to meet her with her uncanny ability to forecast the future.

Then the kids are going to have a grand time. There will be a flock of ponies for them to ride, including the smallest pony in the world.

Eats will be on hand in great profusion, including, of course, hot dogs, and various other delicacies, so there will be no need to go home to supper. Just stick around and make a day of it.

The members of the club are invited to be present at the club on Friday night, September 19, at 8 P. M., for a private showing of the attractions, which have already arrived.

The big show starts on Friday, September 26, at 7 P. M. Reserve the week-end and be on hand to enjoy the biggest and most glorious fair of them all.

The finals singles match was played on Sunday afternoon between Harold E. Lane and H. Van Dyke Johns. The courts were soft after the heavy rain on Saturday and interfered with good tennis. There was a good attendance and those present enjoyed it thoroughly. Lane was the winner by 6-1, 6-0, 6-1.

After this match the Consolation Doubles was played, and whilst the scores do not indicate it, the match was very closely contested, finally resulting in a victory for R. Savill and J. Custer over H. C. Fenno and H. R. Page by 6-1, 6-1, 6-1.

GET-TOGETHER LUNCHEON

A Get-Together Luncheon will be given next Tuesday, September 23, at 1 o'clock, in the banquet room of the Baptist Church.

The luncheon is being provided by the Executive Committee of the Woman's Association, and every member of the church and congregation is cordially invited to be present.

At that time a program for the fall and winter work will be mapped out, and it will be well worth while to any woman able to attend.

FELLOWSHIP MEETING

On Thursday evening, September 25, "The Good Fellowship Club" of the Narberth M. E. Church will hold another get-together meeting for men. A feature of the meeting will be an address by Dr. Dawson relative to his trip abroad.

Big Drive Plan of Loan Association

Will Start Intensive Campaign October 7

Officials of the Narberth American Legion Building Association are now completing plans for an intensive drive for members, which will begin on October 7. The Association plans to interest all residents of Narberth not now holding shares in their drive and has planned some unusual publicity to gain this end.

On the first night of the drive officers of the Association will be on hand at the meeting place to meet those interested and answer any questions they may care to ask. Dr. Clarence T. Faries is president; Mr. A. C. Shand is vice president; Mr. Horace T. Smedley is secretary, and Mr. Harry A. Simpson is treasurer.

Said one of the officers in telling of the coming drive:

"The Almighty Dollar! How supremely it reigns, and how limitless its power! King of Finance, it holds sway over transactions far more intriguing than fall to the common lot of monarchs. And just as a king can use his power to advantage or disrepute, so can the dollar yield its power to enterprises great or ignoble.

"We hear much of the PURCHASING power of the dollar. Greatly does this power fluctuate, governed as it by the economic problems of a country. The sharp winds of war, of political strife, of labor troubles, of agricultural declines, all blow with menacing force against the purchasing power of a nation's gold. Circumstances over which the individual has no control govern the changes in value of the dollar's purchasing power.

"But the individual CAN exercise control over the circumstances which govern another potent power of the dollar. The SAVING power of the dollar can be made supreme in its autocracy by the simple expedients of foresight, judgment and wisdom. By the use of these three factors man can concoct schemes innumerable to increase the saving power of the dollar.

"There is one plan which has been the result of many years' study by men of great wisdom and foresight, that has proved itself capable of promoting the SAVING power of the dollar to its highest degree. In the purchase of Building and Loan shares of stock has been found a form of systematic saving which has proved the one safe and satisfactory way for earners to invest their money.

"The Narberth American Legion Building and Loan Association is offering shares of stock at their next meeting, the first Tuesday in October. The shares are in two classes, single and double. A single share is \$1.00 per month, expiring in about eleven and a half years at \$200. A double share is \$2 per month and expires in about six and a half years at \$200. In either case your money is earning 8 per cent. interest; something impossible with any other form of SAFE investment on the market. And during this period, should you wish to borrow from your money you may do so by paying 6 per cent. interest, which gives you the use of money still earning you 2 per cent.

"We would like to see every family in Narberth holding shares in this association. Do not wait until you can afford a lot of shares. Take two at the opening of the new series in October, and in six months take two more. Four shares of stock would mean only a dollar a week output now, but how great the power of those dollars saved at the expiration of their reign!"

Two Jurors to Marry.

The engagement of Miss Ruth Ely Haws and John Collum Nash, both of Narberth, has been announced. Their marriage will occur on October 15, in the Narberth Presbyterian Church. Rev. John Van Ness will officiate.

Miss Haws and Mr. Nash have been drawn to serve during the same week of September Court.

WOMEN VOTERS

Plan for Membership Drive—Fair and Vote Campaign.

An intensive drive for members on October 1, 2 and 3: "Wyndham Fair," to be held on October 8, at Miss Ely's residence opposite the college in Bryn Mawr, and the "get-out-the-vote" campaign for the November election were the three subjects discussed at length at the Board meeting of the Lower Merion Township League of Women Voters held at headquarters in the Merion Title Building at Ardmore on Thursday of last week. The meeting was well attended.

Mrs. William M. Gehmann, Jr., of Cynwyd, is chairman of the "get-out-the-vote" committee of Lower Merion. She told of the plans of the State League in reference to the campaign, and every district leader is to contribute to the success of the movement by her efforts to bring out the voters in her own district at election time.

Mrs. J. Aubrey Sutton, of Ardmore, director of "Wyndham Fair," displayed several samples of Florentine hats and baskets brought from Italy recently by Miss Sydney Evans, of Merion. These hats are of attractive light colors in the delicate pastel shades and are sure to meet with ready sale.

Italian laces, scarfs and covers of many varieties are to be a feature of the home decoration table. Mrs. John Y. Huber, of Wynnewood, is in charge of the admission tickets, which will be distributed through the district leaders. Card tables—40 in number—are under the supervision of Dr. Elizabeth S. McCall, of Bryn Mawr. There will be a prize for each table.

A salvage sale marked the opening of the Thrift Shop in the basement of the State League headquarters, 1725 Spruce street, last Friday. This salvage sale is to be repeated on the second Friday of every month, and every member of the League of Women Voters is requested urgently to send contributions for the sale at any time. The proceeds are to help pay the taxes on the League house which are now due.

Please renew promptly.

MAY FORM FORUM

Merion Legion Discussed Idea.

The Merion Legion may form a forum, modeled after the principles of the Philadelphia Forum, and invite neighboring posts to attend if plans which it has under way now mature. The forum idea was discussed at the first meeting of the Merion Post for the new season, which was held in the Legion room of the Merion War Tribute House last Tuesday.

At that meeting arrangements were talked over for the play which will be held the first Tuesday in October. The Entertainment Committee, of which Mr. Franklin Hovey is chairman, will meet today to select a suitable play and assign parts.

The sketch will be given before the post only and only members of the Legion will take part. If the playlet proves a success the thing may be repeated before the people of Merion at a public performance in the auditorium of the Tribute House later.

This year there will be entertainments given at each monthly meeting of the Merion Post. A substantial appropriation for this purpose has been granted the entertainment committee.

It was announced that the Legion room in the Tribute House will be open Tuesday and Friday evenings for use of post members. A pool table with full equipment the present of Mr. John H. McClatchey was placed in the room recently.

The invitation tournament which the Merion Community Association is planning for next Monday will have the support of the post. There will be singles and doubles matches for men and mixed doubles matches. The tennis committee consists of Clarence Hall, chairman; Messrs. Edward Wycokoff, Jr., Franklin Hovey, Paul A. Casey, Earl Haines, Miss Mildred Willard and Mrs. Venette Shearer.

Platform Extended.

The Pennsylvania Railroad has completed its extension of the east end of its west platform at the Narberth station. Work was begun last week.

Narbites Bite Cynwyd

Win First Game of Play-off Series

BY J. J. CABREY

Restored to all their pristine vigor, the Narberth Club made a highly rollicking occasion of their overwhelming defeat of Bala-Cynwyd in the first game of the pennant play-off series at the home grounds last Saturday, 11 to 3.

From the very start it was a case of all hands to the pumps and the merry racket continued until the only doubt which hovered about the game at all was as to whether the bird of prey which soared over the field, back and forth, was a chicken-hawk or an eagle. It seemed to be agreed that it was no less than an eagle, and its peregrination was attributed to the fact that Bobbie Gibson had just established a world's record, nothing short of it, by landing inshoots on the rolling anatomy of two successive Bala batters while the bases were filled, thereby forcing in two runs.

It was one great old inning, that seventh, with the big bird in the bleak skies, the two Bala runs coming in after two were out, the curly cue stop of John Dickie,

after the fashion of a child's burnt stick at night, and then when Narberth's turn came. George Fleck, our own handsome George, no doubt bedeviled by the chortling confusion that everywhere abounded, proceeded to take a nice little musical snore at first. Now, who would think that such a wide-awake fellow would ever do the likes of that?

Narberth scored four runs in the first. Copples was cracked right and left. The second marked a pause. The third was a repetition of the first. The Bala rooters yelled for a change. Copples pleaded for another chance. He got it, but to no avail. Vockel came to the rescue. He could not lay the Narberth dander. The men on base came in.

There were three blanks and then another melee. Three more runs were added in the seventh. After that one more came in. Everybody scored except George Fleck. There may have been another reason for the siesta. Vernon crossed three times. That would seem to be enough for one family. May-

Police, Ardmore 20.
"Our Town," Narberth 2545.

MUST SIGN CONTRIBUTIONS

For the benefit of a few readers
who may not know of the policy
of Our Town, ye editor wishes to
state that all contributions sent
in through the mails must be
signed. The signature is not
necessarily for publication, but is
required as a sign of good faith.
Announcement of this policy has
been made before but a few of our
readers have evidently not seen
those notices for several announ-
cements communications were
received this week. If the contribu-
tors will but send us their names
we will be glad to use the items.

RECEIVE BIDS FOR TOWNSHIP BUILDING

Successful Bidder Will Be Announced
Early Next Week.

The successful bidder for the job
of erecting the new township build-
ing in Ardmore, authorized this
spring, will be announced by the
Township Commissioners early
next week. Bids for the new build-
ing were received at a meeting of
the Commissioners held last
Wednesday, but due to the time
required to compare the various de-
tails of the bids no immediate de-
cision was made.

The bidders were required to bid
on four different plans and also to
state in their bids what they would
charge for the plumbing, heating
and ventilating and electrical work.
There were also 13 materials and
things that might be used or not, at
the will of the Board, and the bid-
ders were to state how much would
be added or deducted for each one.

There were 14 bids received for
the erection of the complete build-
ing and several other bids for the
plumbing, heating and ventilating
and electrical work. The bids for
the plumbing alone ran from \$3700
to \$12,000; for the heating and
ventilating, from \$7500 to \$12,582;
the estimate on the electrical work
from \$2500 to \$7000.

LOWER MERION FOOTBALL

(Continued from Page One)

McClellan. The back-field is food
for serious thought and specula-
tion. To date Paul Scull has
been piloting the team from
quarterback, but Mandes, Patton
and Reinhold are also interested
in that position. Huskies out for
other backfield berths are Captain
Peabody, Odiome, Morris, Reilly,
Burrell and Fort.

Practice has been held for over
a week and the gridders are rap-
idly being whipped into football
trim. Scrimmage has been held
several times the past week
and has been entered with vim
by the prospective candidates. In
a recent scrimmage Lockwood
wrenched his shoulder but he will
be in condition to play in the first
game.

The schedule is a difficult one
and will cause the team to play its
best all season. The initial fracas
will be staged in Berwyn, on Sep-
tember 27 with the Tredyffrin-
Eastown High School. Other
teams to be met are Upper Darby,
Lansdowne, Cheltenham, Abington,
Wilmington or Chester, Northeast
and Radnor. This schedule is only
tentative as there are more games
to be played and the officials of the
Suburban League will possibly
recommend other teams to be
played, in order to facilitate the
choice of the Suburban champions.

Taken all in all the outlook is
rosy for the Maroon and White
this season. As the date for the
first game draws near, interest is
growing to a high pitch and fol-
lowers are anxious to witness the
first exhibition of the team of 1924.

THE LEGIONARIES

Discourse on Dirty Shirts and Boot-
leggers.

Chicago, Ill.

Dear Pete:

Here I am in the Windy City.
No, doggonit, I'm not headed for
the National Legion Convention,
but I hope to see Johnny Mow-
er on his way out there. John
sort of got the convention fever
at Greensburg. He came back all
pepped up. Said if a State con-
vention could be that good he
wasn't gonna miss a national con-
vention even if he did have to
build another house or two to get
the money. I wish I had decided
to be a builder instead of working
for a living.

Well, old sock, I put on a clean
shirt when I left on this trip and
would you believe it the darn thing
was dirty when I got here. I'd
only wore it a week; so to make
a long story longer, I went in to
one of these dashing habers shops
and the first thing I saw was a
handsome young clerk, like you,
with a smile on his map that made
me think he was going to a meet-
ing of the Harold D. Speakman
Post. Well, he had the old Legion
button displayed on his left lapel
and he sees my button and he
says, "Hello, buddy," and I gives
him the return same high sign
(burn this letter before some one
learns the Legion pass word). And
while he's showing me some aw-
fully pretty chest covering, he's
making me tell what a great post
we have in Narberth and what
fine fellows the bunch is. Then he
hauls off and sells me, beside the
shirt I went for, a year's supply
of collars (4), a belt and not to
mention some P. D. Q.'s. Well,
he parted me with \$2.00 I hadn't
figured on spending, but I was so
tickled at meeting another good-
gellow, Legionaire, I didn't mind.
It's a good guy that can amputate
\$2.00 from my roll without getting
a squawk, but there is only one
place that \$2.00 could have got
better value and that's dues in
our Post for the rest of the year
with the American Legion Week-
lie thrown in. Of course, I've paid
my dues, have you?

Did ja get the point of this little
incident? Well, it's this: It pays
to wear your Legion button. It
helps you to sell and when you're
down in the mouth over a shirt
getting dirty a week ahead of
time, it lets you in on that "grand
and glorious feeling" of having
some one give you that "hello,
buddy." Course, you're supposed
to pay your dues to wear that pin.
A guy is pretty low to bootleg a
Legion button.

Yours till they make Chicago.
AL. E. RABBIT.

SPORTSMANSHIP

To the Editor of "Our Town":
In the evolutionary processes of
our old English a word, upon oc-
casion, is observed as having be-
come especially glorified. A ver-
itable Miss America of such words
is "Sportsmanship." We drag out
an old dictionary and there we
have it in its barbaric slime:
Sportsmanship—the pursuit of
sportsmen; and Sportsman—one
who hunts, fishes or fowls.

You smile, of course. And
naturally. Remember Lord Dun-
raven, of cup-race fame, some 25
years ago? Consider him and
Tom Lipton, and you perceive
that the old definition of the great
word will hardly do. Perhaps
these may be admitted as Sports-
manship's five commandments:

No. 1—To accept responsibility,
and—
No. 2—To perform honorably,
fearlessly.
No. 3—To strive, to the limit of
one's means and capacity, with a
will to win.
No. 4—To win considerably,
generously.
No. 5—To lose gracefully, with-
out discouragement.

All this, of course, is not to be
looked for in very young men, or
in boys. Consider, in instance,
No. 5. Boys may not be expected
to lose gracefully. In fact, they
do not. For to lose gracefully is
to acknowledge superiority in a
rival, and this draws heavily upon
our resources of self-denial, which
comes to us only with experience.

A grand old word, Sportsman-
ship. And if you're of those who,
like Doctor Strong's boy, have a
turn for mathematics, and are for
reducing their ethical codes to
fixed formula, the above penta-
hedral charter is shyly submitted.
We have discussed No. 5. We
may take up No. 3 later, when the
season is over.

NARBITES BITE CYNWYD

(Continued from First Page)

be that's what George thought.
The box score shows what else
Vernon did. It certainly was a
choice assortment.

Epper Yowell also had one big
day. That lad has learned to
cover a lot of real estate. We hope
he gets a raise. Gene Davis help-
ed a heap. His hits sent them
home. Nothing passed him at
first. Bobbie Gibson was master
of his situation. What he threw
was hard to hit. Not a safe one
was made in four innings. The
par excellence fielding showed
there. His let-up in the seventh
was due to a hectic week. The
baby is now better. Bobbie is glad
and so are we. Mickey Burns was
back. The folks were pleased to
see him. That little minister al-
ways gives full value. We miss
him when he goes. Stay where
you belong, Mickey, stay where
you belong.

Next Saturday's game will be
at the Cynwyd School field in
Cynwyd. If we win, that means
the pennant once again. If we
lose, a third game will decide. We
are going to win. Fred Walzer
says so. Squires speak the truth,
the whole truth and nothing but
the truth. Let the crowd turn out.
It's not far to go and a big atten-
dance from the home town will be
a tremendous incentive. Every-
body help. The score:

OBJECT TO DEVICE

Health Officials Say Pasteurizer
Does Not Work Right.

Objection by the milk control
office of the township to use by
two milk dealers of a patented
pasteurization device resulted in
a lively hearing Friday night of
last week at Ardmore, before the
Lower Merion Health Board which
presages a fight of considerable
proportions.

The dealers called before the
board were Edward Hanlon, of
Oakmont, and John Marmora, of
Bryn Mawr. It was alleged by
milk control officials that a pasteur-
izing device they use does not meet
with the rules of the boards of
health in this district.

Members of the Haverford
Board of Health and a representa-
tive of the State Board of Health
attended the meeting. A represen-
tative of the concern manufacturing
the device was also present.

Hanlon became angry at one stage
of the proceedings and charged the
milk control officers were "trying to
put him out of business," which
brought a sharp rebuke from Dr.
B. K. Wilbur, who presided.

"We do not wish to make it hard
for anybody," Dr. Wilbur said, "but
we are here to protect, as far as
possible, the health of the commu-
nity and we are going to do it."

Before taking further action the
Board arranged for exhaustive tests
of the apparatus to see if it pasteur-
izes all the milk passing through at
the required temperature of 146 de-
grees for 30 minutes.

The Board also decided at its
meeting that hereafter swimming
pools opened in Lower Merion
would have to take out licenses. The
object is to provide for inspection
by Board of Health officers with a
view to forcing the pools to main-
tain sanitary and healthful condi-
tions at all times.

PREPARE FOR FAIR

Active preparations for "Wynd-
ham Fair" are being carried on by
a contingent of Main Line women
interested in the Lower Merion
Township League of Women Voters.
The fair will be held on Wed-
nesday, October 8, at "Wyndham,"

Miss Gertrude Ely's residence in
Bryn Mawr.

A distinctive feature of the bazaar
is to be a doll exhibit in charge of
a committee directed by Miss Corona
Sutton, of Haverford. Miss Sutton
traveled in Europe last year and
brought home a large number of for-
eign dolls, and while in New Eng-
land recently she succeeded in add-
ing to her unusual collection. This
promises to be a very unique and
interesting exhibit. Among the
dolls displayed will be an old
wooden doll from Revolutionary
times.

Miss Conley Miller, daughter of
Judge Miller, of Norristown, will
direct the selling of ice cream cones.
She will have for her aides girls
from Miss Baldwin's school.

Over the Bank

The FIRESIDE

Mrs. Ralph Dunn is spending a week at Ocean City.

Mr. and Mrs. J. A. Betus, of Merion avenue, are away on their vacation.

Dr. and Mrs. S. Z. Shope, of Iona avenue, have returned from an extensive trip abroad.

Mrs. W. Creeman, of Iona avenue, has been entertaining her sister, Mrs. Pauline C. Schrenly and son, Newton, of Utica, New York, for the past month. Mrs. Schrenly and son will leave next week for Miami, Florida, where they will spend the winter.

A very enjoyable evening was spent last Friday evening at the home of Mr. and Mrs. Walter Wood, 217 Forrest avenue, the occasion being a "farewell" to Mr. Fred Hatton on his way to China as a missionary, by the members of Community Bible Class.

Mr. W. D. R. Evans, president of the Narberth Tennis Club, attended a meeting of the Bethlehem District Tennis Association, held in the Gahawa Club in Bethlehem, Pa., Sunday.

Mr. Harry Bradley, of Elmwood avenue, has taken an apartment in the city.

Mrs. Abbie Nickerson and her two sons have returned from Cotuit, Mass., where they spent the summer vacation.

Mr. and Mrs. William B. Goodall, of Dudley avenue, left this week on a motor trip to Cape Cod, Mass.

Mrs. William Pugh, of California, formerly of Narberth, has been called to the city by the death of her sister, Mrs. J. Smith.

Admiral DeBooy, a retired officer of the Dutch Navy, is a guest at the home of Mr. M. C. Peter, Jr., on Forrest avenue.

Mrs. R. P. Kelly, of Stephany Place, is entertaining her mother, Mrs. Bates, who returned recently from California and expects to leave soon for Europe.

Mrs. Lawrence Davis and children have returned from Ocean City, where they spent the summer.

Mr. and Mrs. Joseph Lamorelle arrived in Baltimore, Md., this week, after a two months' trip through France.

Mr. Louis F. Johnson and Mr. Stewart Anderson left yesterday for a business trip through Washington, Oregon and the West.

Mr. and Mrs. Edwin S. Nacoach have returned from their vacation, which was spent at Dicksville Notch, New Hampshire.

Fred Tompkins is recovering from a minor operation which he underwent last week.

Mr. and Mrs. Charles T. Haiste and their daughter, of Mill road, have returned from Ocean City, where they spent the summer months.

Miss Dorothy Wilson and Miss Emily Bell Harris are leaving Sunday for a six weeks' trip to the Grand Canyon and Los Angeles.

Mr. and Mrs. Arthur Goldsmith, of Montgomery avenue and Mill road, returned this week from a five weeks' motor trip through Canada. They came back by way of the Poconos, where they were met by their daughters, who were at a camp there.

Mrs. J. Paterson, of Nazareth Park, was hostess to the Westminster Circle of the Narberth Presbyterian Church at its first meeting of the season last Thursday. Twenty-seven members attended the meeting.

The Men's Bible Class of the Presbyterian Church will have their fall outing at Valley Forge Saturday afternoon, September 20.

GIRLS PLAN CAKE SALE

The first meeting of the season of the Girls' Club was held at the home of the Misses Diamond on Thursday evening, September 11.

During the meeting plans were discussed for conducting a cake sale, which is to be held the morning and afternoon of Saturday, September 20, at Ardmore.

REVEREND DAWSON

Is Back from Trip to France.

Rev. W. Sherman Dawson, pastor of the Methodist Church, has spent the past several weeks in France, and is now back in the pulpit feeling much invigorated by his trip.

Mr. Dawson went across with his brother-in-law, Mr. A. R. Lewis, of New York, and to be sure nothing of interest would be missed an interpreter was engaged. They crossed on the Aquitania, and came back on the France. Mr. Dawson enjoyed the good American cooking on board the former 900-foot craft, but could not recommend the French savories served by the chef of the France.

They traveled over 10,000 miles through the sparkling cities and towns of France, including such points of interest as Paris, Versailles, Toulouse, Orleans, Limoges, Mediterranean Sea, Chattea-Thierry, Belleau Woods, as well as covering the Hindenberg line and many other battlefields.

In Rheims, the well-known cathedral, destroyed in the world war, is now being rebuilt. Rockefeller has given 15,000,000 francs toward its renovation, and it is said that it will take 50 years to complete it.

The foreign born, in scoffing at the prohibition laws of the United States, have boasted that the natives of Europe "don't get intoxicated by their wines; they are too light, and affect them no more than water." However, Mr. Dawson has remarked that he saw more drunkenness in the weeks he was in France than he has seen in the United States over a period of years. He further stated that the natives in some towns of France are practically 100 years behind the times, and are kept so restricted by heavy Government taxes.

Another interesting bit of information is that there were almost as many flivvers "over there" as "over here." Perhaps France isn't so far behind us after all!

One unique sensation experienced by all those who travel for the first time in Europe is that of basking in the warm olive and fig gardens in the morning, and shortly thereafter shivering from the chill of the ice-clad mountain peaks. It is believed that Mr. Dawson is going to have enlarged some of the photographs he took on this trip for slides, and may in the near future give an illustrated talk on the beauties of France.

TEACHERS' INSTITUTE

To Be Held on October 20.

In the office of County Superintendent of Schools A. M. Kulp, arrangements are going forward for the annual Montgomery County Teachers' Institute, which will convene the week beginning, Monday, October 20. Township teachers will take part.

The sessions will be held in the Norristown High School auditorium. The morning program will be carried out with graded round table discussions with the general assembly in the afternoon.

Superintendent Kulp will preside at the institute for the first time this year. Mr. Kulp succeeds the late Superintendent J. Horace Landis.

Cycle, Auto and Plane to Race.

An added attraction that should prove a sensation has just been included in the list of events at the season's premier auto meet, scheduled for Saturday at the Belmont track on Meeting House Lane. The event is a race that involves an automobile, motorcycle and airplane. It has been held several times in various sections of the country.

The big feature of the afternoon is the 50-mile race, and every one of the machines that competed at Pottstown, with many others, have already been entered.

The main event will be preceded by a 10-mile number. Those taking part will be those who failed to qualify for the 50-mile grind, which will be limited to 15 cars. The meet has the official sanction of the National Motor Racing Association.

Jury Indicts 125.

The Grand Jury, which sat the past week at the County Court at Norristown, considered 160 bills of indictment, of which 125 were ignored and the others found true. The jury visited the jail, house of detention and county home and commended the management.

Wednesday evening testimonial meeting at 8 o'clock.

Reading Room, 19 West Lancaster avenue, daily 12 to 4:30 P. M.

The subject of the Bible lesson sermon for September 21, is "Matter."

We appreciate your help in sending us personal items.

EPWORTH LEAGUE

Holds Corn Roast

The corn roast that was held by the Epworth League on Friday evening, the 12th, was enjoyed by everyone. Twenty-six young people attended. Playing games, singing and eating were the chief pastimes. You should have heard those leaguers singing in Hindustani. You certainly missed a rare time if you were not there; better go to the next social, September 29.

Sunday morning, 13 Leaguers attended church and stayed for communion. Sunday evening's Epworth League service was well attended. The attendance increased seven over last Sunday, there being 24 present. A very interesting program was given by the Institutors. The League was pleased to see so many of the older folk of the church present at their service. We will be glad to see more next Sunday.

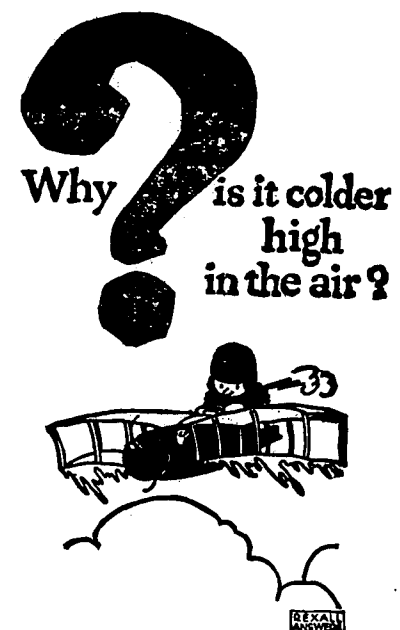

Sunday, the 21st, at 7:45 P. M., is installing service. Everyone is urged to be present. Regular monthly business and social meeting will be held Monday evening, the 29th, at 8 o'clock.

SOUSA MARCH

Composer to Write March for Montgomery County Firemen.

It was announced at the September meeting of the Montgomery Firemen's Association, of which the Union Fire Association of Bala-Cynwyd is a member, held at the fire house of the Wicksahickon company, Ambler, last Saturday evening, that John Philip Sousa has virtually decided to write a march dedicated to the firemen of Montgomery county. It will be recalled that recently the Abington flame fighters staged a demonstration at Willow Grove Park for the purpose of inspiring the great march king along the line.

It was also finally stated that the County Commissioners would not recompense the Bridgeport Fire Company for the loss of their apparatus in the DeKalb street bridge fire at Norristown.

—because the earth has absorbed a supply of heat from the sun. The farther one goes away from this heat, the colder the air becomes. How balmy the feeling of

Puretest Glycerin and Rose Water
 when icy winds bite into the skin and leave it chapped and sore! Puretest Glycerin and Rose Water is not only wonderfully soothing on chapped hands and face, but a delightful lotion after shaving. Delicately fragrant with rose bouquet.

MYSTERY GIRL HOME

Narberth Store Bookkeeper Unable to Recall Name of Girl She Visited.

Helen Maxwell, 27, 15 South Merion avenue, Bryn Mawr, who disappeared from her home Wednesday, is safe with her parents. But the mystery surrounding her strange absence is as deep as ever, according to police and relatives.

Miss Maxwell telephoned her mother, Mrs. William Maxwell, Friday, and told her that she was all right and that she was coming home.

"Helen came home," said Mrs. Maxwell. "She is unable to tell where she has been. All she can tell us is that she was at the home of a girl friend, but is unable to recall what her friend's name is. It is all a mystery."

Miss Maxwell is employed as a bookkeeper in a Narberth produce store, and is the daughter of William Maxwell, a news agent at the Rosemont Station.

Every Single Qualification a Good Druggist Should Have

A knowledge which is education and training combined and in knowledge you have the requisite of the most careful compounding of the simplest or most complex prescriptions. Here is that tangible something that perfects the artist in any line of work. Our experience gives us clear insight into the scientific requirements in pharmacy and enables us to exercise better care in putting medicines properly together. Quality and a strict observance of the drugs employed makes the prescriptions powerful and potent. All these things combined with the proper equipment qualify us to more properly take care of your prescriptions.

This same spirit and experience is manifest in every other department at this up-to-date store.
